

Everything you need to know about attending our show!

I am going to see a play with Pink Umbrella Theater Company!

This play will be held at **Pink's Accessible Theater House**
Located at
1104 W Historic Mitchell Street, MIlwaukee, WI

If I can't find the location of the play, I can call **414-522-9081** for assistance.

There will be chairs for me to sit and watch the show.

There will be alternative seating options.

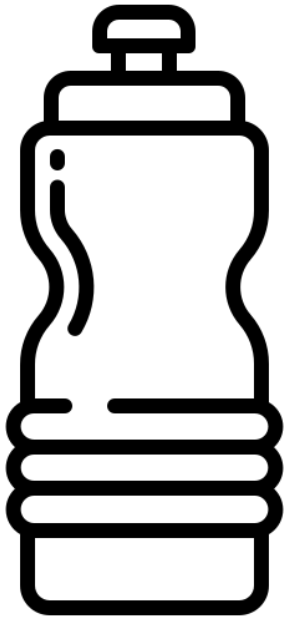

If I need alternative seating I can ask someone in a Pink Umbrella T-Shirt.

I can bring things to the theater like...

- Water
- Ear Protection
- Fidgets

The bathrooms are located in the back of the theater.

There are two gender neutral accessible bathrooms.

If I have any questions can ask someone who is wearing a Pink Umbrella T-Shirt.

I may see many people there.

I can go to a sensory space if I need a break.
Em's Room is in the lower level.
If I need an accessible sensory space, the back room on the first floor will be available too.

When I am ready to return to the show, the Pink Umbrella staff member will take me back to my seat.

We will announce when it is time for the play to start and for everyone to return to their seats.

When the play begins, I can follow along using my Visual Agenda.

When I like something from the show I can laugh and applaud.
At Pink Umbrella we applaud using the sign for applause in American Sign Language (ASL).

If I need to use it during the show, I can and return when I am ready

The play will end with a dialogue between the audience and the actors. It will officially end, when the audience takes a bow.

It is now time to say goodbye to the cast of Nothing About Us...without us?!!

I will use the ASL sign for applause or wave goodbye!

We can't wait to see you Under the Umbrella!
