

COVID SAFETY

Will masks be required? If so, what type of masks or face coverings are acceptable?

Yes, students and staff will be required to wear masks. While we acknowledge that some of our students are vaccinated, not all who take classes at Pink Umbrella are able, choose to, or are old enough to be vaccinated. We feel strongly about ensuring a safe place for all under the umbrella. We require masks that follow CDC guidelines such as fitted masks or double layered gaiters. The CDC outlines which masks are effective [here](#).

Can my student wear a face shield instead of a mask?

Face shields can be worn in addition to a mask, but cannot replace a mask. The CDC outlines which masks are effective [here](#).

Will you do temperature screenings at drop-off?

At drop off, we will check each student's temperature. Anyone with a temperature of 99.9 or higher will not be allowed to take class. Anyone with a fever must be fever-free for at least 72 hours without medication before returning to class. Additionally, any staff member who runs a fever will be required to have a negative COVID-19 test before returning to class. We highly recommend students have a negative COVID-19 test before returning to class as well.

What is the hand sanitization protocol?

Students will be required to sanitize hands upon arrival. We will provide hand sanitizer at all outdoor locations. Students are also encouraged to bring their own hand sanitizer.

Will Pink Umbrella staff be tested for COVID-19 and at what frequency?

All staff, teaching artists, interns and volunteers will be required to be tested if they are showing symptoms of COVID.

Are staff, teaching artists, volunteers and interns vaccinated?

All staff, teachers, interns and volunteers have been highly encouraged to get vaccinated. Most, if not all, are fully vaccinated, but it is not required.

How will you implement spatial and social distancing?

We have chosen to host classes in an outdoor setting and students will have a clearly marked designated space to ensure CDC recommended social distancing. In addition, students can choose a colored bracelet to indicate their comfort level. Red means maintain 6 feet, yellow means ask if you can get closer than 6 feet, and green means come into my space!

What is your cleaning/sanitizing protocol?

Classroom supplies such as markers, crayons, scissors, etc. will not be shared. Each student will have their own supplies to use for the duration of the session.

CLASS

What should we bring to class?

Students should dress in clothing that allows them to move and sneakers are best. Please bring a chair and/or blanket, water and a snack if needed. These items are in addition to a mask and hand sanitizer (if so desired to bring your own sanitizer).

How much physical interaction could students have with each other?

We will maintain spatial distancing as much as possible in class. When exercises or activities call for interaction, we have a color coded system set in place. Upon arrival students can choose a colored bracelet to indicate their comfort level. Red means maintain 6 feet, yellow means ask if you can get closer than 6 feet, and green means

come on into my space! Students will be presented with these bracelets and options each week.

How will drop-off and pick-up work?

All classes will be held at Paliapito Eco-Arts Park located at 315 W Walker St, Milwaukee, WI 53204. Students and parents will be required to check in at the Welcome Station for a temperature check and a brief wellness check. Masks are required for everyone on site.

Will I (parent, caregiver, etc) be allowed to stay for class?

Yes. We ask that you interact only with your child during class (if necessary) and follow mask and distancing guidelines with the staff and others present.

What if there is inclement weather?

We will monitor the weather patterns and send an email if we are unable to meet in person. The class will be held online via Zoom during inclement weather.

How will presentations work?

We are hopeful for a limited number of family members to attend the final presentations in August, but reserve the right to film the last day and send to participants and their families digitally.

COVID-19

What happens if a student or staff member experiences symptoms or tests positive for COVID-19?

If a student experiences COVID-19 symptoms while at class, the student will be immediately quarantined and parents will be notified to pick up the student. If a student

tests positive, the class the student is enrolled in will transition to a virtual format. All families who have had contact with the student will be notified.

What happens if a staff member tests positive for COVID-19?

If a staff member tests positive for COVID-19, the individual will be removed from class and any classes the individual has had contact with will transition to a virtual format. All families who have had contact with the staff member or teaching artist will be notified.

What happens if a student's family member or someone in close contact with a student tests positive for COVID-19?

If a student's family member or close contact tests positive for COVID-19, the class the student is enrolled in will transition to a virtual format. All families who had contact with the student will be notified.

How will you handle students/staff who have either been vaccinated or tested positive and recovered from COVID?

We require all individuals (vaccinated or not) to wear a mask and social distance while in the park.

Will the entire student population be notified of any positive COVID-19 case within the Pink Umbrella community?

Yes. Pink Umbrella will alert all families of any positive COVID-19 cases throughout the summer.

- Tier 1: Any student or staff member within the positive case's class will transition to a virtual format.
- Tier 2: Any student or staff member attending class on Tuesdays and/or Thursdays will be alerted of a possible exposure.

CANCELLATIONS AND TRANSFER

Can I cancel my class?

A full refund is available with a 30-day notice prior to the **start** of the session. If you choose to cancel during the session, the days attended will be prorated and a refund will be given.

Can I transfer to another class this session?

Students may transfer classes after the first week of the session.

Can I transfer from in-person to virtual or virtual to in-person? When do I have to make that decision?

Students may transfer from in-person to virtual class sessions up until June 18th, 2021.

Students may transfer from virtual to in-person sessions up until June 4th.

What is the refund policy in relation to a class cancellation due to a positive COVID-19 case?

In the event of a positive COVID-19 case within a class, the class will not be cancelled but instead transition to a virtual format.
