

SCAVENGERS!

By Vannessah Loxton
and James Fletcher

Everything you need to know about the play!

I am going to see a play with Pink Umbrella Theater Company!

This play will be held online through a website called ZOOM.

The best format for me to access this play is on a computer.

I will need internet access and a strong wifi connection.

My device should have a full battery before I join Zoom.

I need to be able to move during the play, so I should make sure my device is on a hard surface like a table. Making sure my hands are free and that people can see me.

My Grown Up will receive an email with a link for the play.

If they can't find the link, they can contact Pink Umbrella and Pink will resend it. My Grown Up can email katie@pinkumbrellatheater.org or call 414-507-3511.

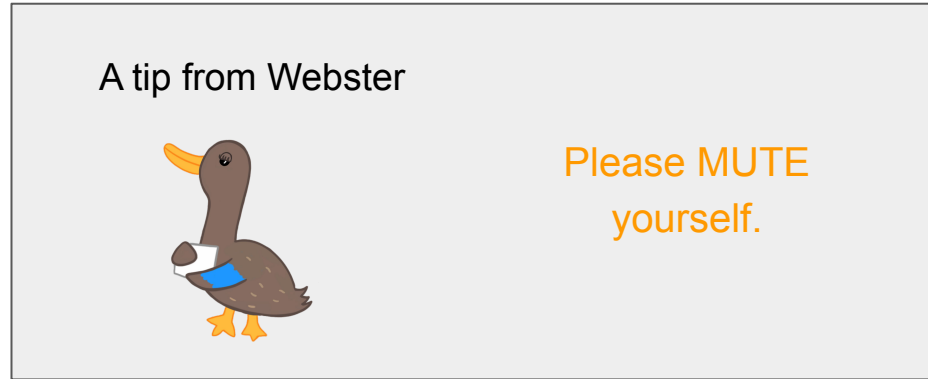

I might have to wait a few minutes before the play starts.

I will hear music while I'm waiting for the play. I can adjust the volume during this time.

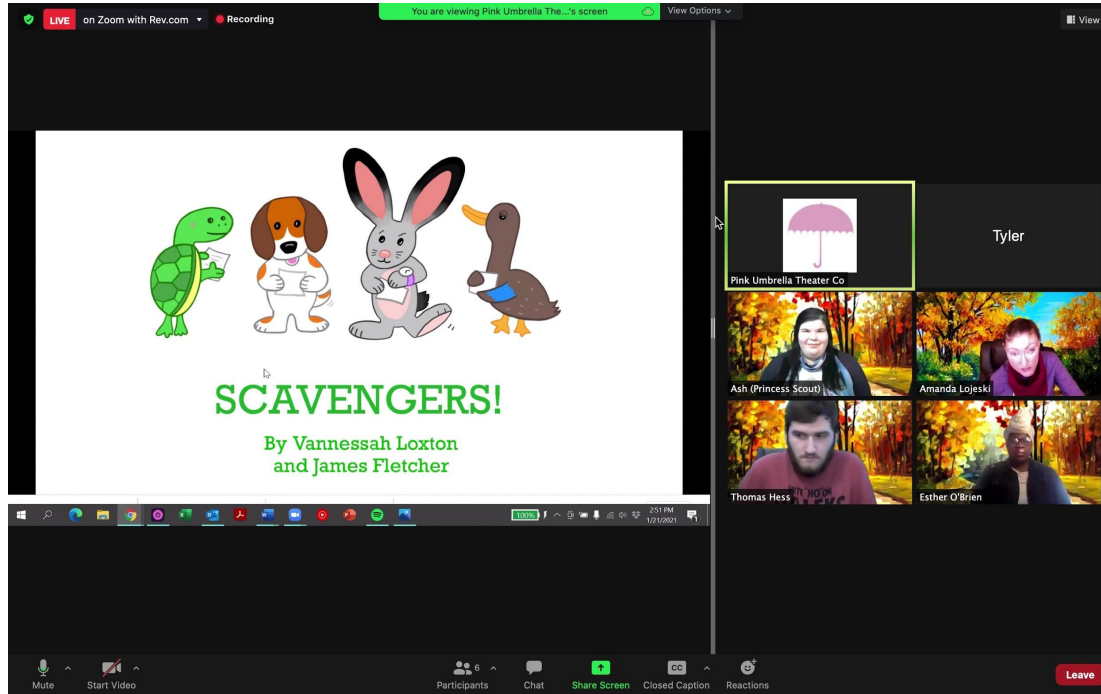

Once I arrive in the Zoom Room, there will be a slideshow.

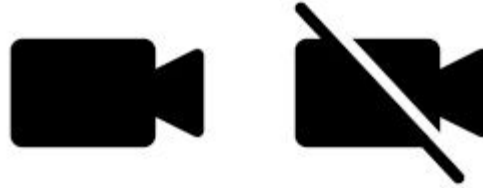

I will follow the prompts and my Grown Up will too!

There will be a powerpoint shown during the play.

I can adjust my screen so I see the powerpoint and the actors.

During the play, I can choose to keep my camera on or off.

During the play, I do not have to unmute my mic when asked.

When the play begins, I can follow along using my Visual Agenda.

Scavengers!

  <p>Tumble shares his Forest Bag.</p>	<p>First, Webster shares a clue.</p>   <p>Then, we search!</p>	<p>First, Scout shares a clue.</p>   <p>Then, we search!</p>
<p>First, Maxie shares a clue.</p>   <p>Then, we search!</p>	<p>First, we brainstorm.</p>   <p>Then, we search!</p>	<p>Way to go! We did it! Hooray! It's time to say goodbye to the Scavenger!</p> 

The play will begin when Tumble arrives.

I will use my imagination to explore the forest using items in my Forest Bag.

Webster will give us the first clue for our scavenger hunt.

I will use my Clue Cards to solve the riddle.

I will take my Grown Up through my house to find the first object!

Scout and Maxie will give me clues, too.

I will use my Clue Cards to solve the riddle.

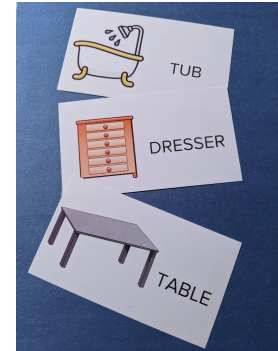

I will take my Grown Up through my house to find two more objects!

Once we have all three objects we will work together to find the last object.

I will use my Clue Cards to solve the riddle.

I will take my Grown Up through my house to find the last object!

I will dance and celebrate because we found all of the objects!

It is now time to say goodbye to the Scavengers!

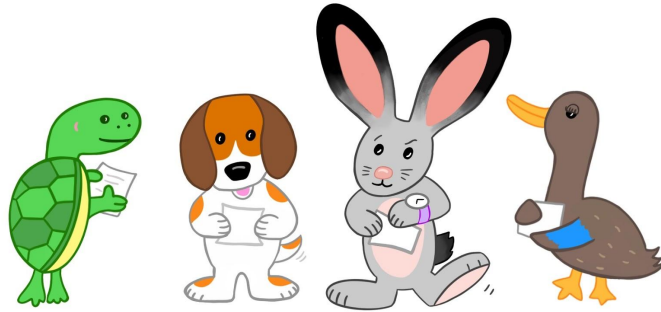

I will wave goodbye as they leave the forest.

Tumble will say goodbye and leave the forest.
The play is now over.

I will hear music and now it is time for me to leave the play.

I had so much fun with Pink Umbrella and the Scavengers today!

I can use everything I found on the scavenger hunt to imagine and play again someday soon!

We can't wait to see you Under the Umbrella!

If I have any questions about the play that weren't answered, my Grown Up or I can email
